

BV Coiltransportkran

- Builder:** Salzgitter AG
- Planning:** engineering office Krantechnik GmbH Köthen
- Execution:** Steel construction: Stahlbau Dessau GmbH & Co. KG
Electric/ Control: PPS company of Salzgitter AG
Engineering: PPS company of Salzgitter AG
- Construction:** April 2002 - July 2002
- Type:** 2 carrier crane – 32 t Sustainability
- Application:** New construction for rolling mill of Salzgitter AG
- Technical data:** Span of the crane: 37,5 m
Crab gauge: 4,6 m
Weight steel construction: 97,3 t
Height (main girder): 2,63 m
